Mr. J. B. Curry Chief of Police

Subject: Shooting of Lee Harvey Oswald

Sir

On Sunday, November 24, 1963, I was working regular houre of 8:00 A.M. until 4:00 P.M. in the Special Service Bureau, Vice Section.

At approximately 10:50 A.W., I was in the basement of City Ball near the jail office. I was engaged in conversation with Detective B. L. Beaty and Officer J. D. Butchimson. We were approached by Goptain O. A. Jones. Captain Jones told us to remain in the basement near the jail office. He further stated that all the other available officer is City Ball would be down

I overheard Sergeant J. A. Putnam reiterate his orders to the officer and the reserve officer working the passagewsy leading out of the basement into the parking basement. He stated very emphatically to the officer that no one but police and gress members with press passes were to be admitted to the parking basement.

A short time later several officers and detectives case down from upstairs. Captain Jones took all officers out into the passageway just outside the jail office. He told all of us that we make a lame for the prisons of weak to be secorted. He had some officers to get all the sewmen out of the jail office booking rome. He then cleared the passageway insediately outside the jail office. At this time Sergeant J. A. Putnam asked all the newmen to save to the Arm side of the direvent, this being the side across to save to the Arm side of the direvent, this being the side across that the had and for officers to fall in behind and to keep newmen from reashing in.

Besides the above listed officers, other officere that I remember to be in the basement were:

R. L. Lowery #1081, Chief M. W. Stevenson #16, T. D. McMillon #1249, W. S. Chambers #1087, Sgt. P. T. Dean #882, L. D. Montgomery #1047, J. R. Leavelle #756, L. C. Graves #702, C. H. Dacrity #76, Carries Gooleby #1141, W. J. Barrison #779, L. D. Miller #1256, Capt. F. M. Martin #397,

WPE

I did not observe anyone that I knew who did not belong in the basement. Everyone that I saw were either police or people I thought to be newmen. I did not observe Jack Emby until just seconds before the shooting.
